The Woman's Board of Rush University Medical Center
————— 2019 Impact Report —————

 RUSH

Thank you

Since 1884, The Woman's Board has supported Rush University Medical Center during times of calm and crisis. Now more than ever, we want to thank you for your support.

In 2019, due to our donors' generosity, The Woman's Board raised more than \$1.6 million — nearly 650 individuals and organizations contributed to our mission of supporting Rush's people and programs.

This allowed The Woman's Board to exceed its \$500,000 endowment pledge to the Rush Community Service Initiatives Program, ensuring long-term funding for Rush University students, faculty and staff in addition to providing health care services annually to more than 10,000 low-income individuals living in underserved communities. Our donors also enabled The Woman's Board to direct significant funds to other Rush departments, critical programs and initiatives that rely on our support.

In these uncertain times, Rush's innovative and heroic response to the COVID-19 pandemic has justifiably garnered national attention and acclaim. A leading resource in emergency disease preparedness, Rush's specially trained staff and facilities are offering unparalleled care in an environment that, as much as is humanly possible, reduces risk for both patients and health care professionals.

Rush exemplifies the motto, "Excellence is just the beginning."

At this moment, Rush is demonstrating that excellence is much more than just a word. Excellence IS every Rush employee coming together as never before to care for patients, community and one another. I stand in awe of the extraordinary dedication and teamwork exhibited by each and every Rush staff member during this terrible crisis.

To our donors past and present, please accept my deepest gratitude for your support of The Woman's Board and Rush's mission. When the need is the greatest, Rush turns toward adversity, not away from it.

The Woman's Board and our donors have a history of giving generously, especially during times of challenge. Now is such a time. When we come together, remarkable things happen. Thank you for being a part of our Woman's Board community.

With pride and heartfelt appreciation,

Cindy D. Nicolaides, President

The Woman's Board of Rush University Medical Center

**“For 136 years
